

In re Appln. of Ross et al.
Application No. 09/100,100

Fl compiling sentences and paragraphs by the report rendering component from the stored sentences and phrases and the patient data, and thereby converting stored medical patient data, including the input patient data, into medical facts in sentence structure.

CONCLUSION

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue.

If, in the opinion of the Examiner, a further telephone conference or in-person interview would expedite prosecuting the subject application, the Examiner is invited to call the undersigned attorney to arrange such a conference or meeting.

Respectfully submitted,
